

Bachelor of Engineering (Honours) in Testing and Certification

Full-Time Face-to-Face Programme

JUPAS Catalogue No. JSSU65

The Hong Kong Government recognised the testing and certification (T&C) industry as one of the six economic areas where Hong Kong enjoys clear advantages. In line with both Society's need and Government's strategic direction, The Open University of Hong Kong has offered a 4-year full time face-to-face degree programme BEng (Hons) in Testing and Certification since 2013. The Programme is designed in accordance with the criteria of HKIE's Professional Accreditation for Engineering Degree. Recently, the Programme has also received subsidy from the Government under the Study Subsidy Scheme for Designated Professions/Sectors (SSSDP).

Highlights of Programme

- Our Programme is accredited by the Hong Kong Institution of Engineers (HKIE) under Washington Accord
- Subsidised HK\$70,000 per annum by the Government under SSSDP
- Unique degree programme comprehensively designed for the Testing and Certification industry
- Strong industrial support with **industrial training & placement**
- Three areas of specialisation for different needs:
 - Chemical & Microbiological Stream
 - Electrical & Electronic Stream
 - Physical & Mechanical Stream
- Apply through the Joint University Programme Admissions System (JUPAS)
