

Valued Quality. Delivered.

Public Seminar: Japan Testing and Certification Requirements for Consumer Products

Dear Valued Customer,

As Japan is a one of the quality and brand conscious markets, fulfilling the Japan testing and certification requirements might create business advantages. Taking this into consideration, Intertek Hong Kong and the School of Science and Technology of The Open University of Hong Kong intent to hold a technical seminar in regard to Japan testing and certification requirements for consumer products, **including toys, clothing and electronic products**. It aims to provide practical information to various stakeholders relating to the conformity assessment of consumer products to the Japan Market.
